J. C. Miller, Esq.,

Acting Principal, Normal School,

Calgary, Alberta.

Dear Mr. Miller:

It was very kind of you to send me your book on "Rural Schools in Canada", which has reached me, but I have not yet had time to look through. I will endeavour to consider it not its details at least its conclusions as soon as possible. I congratulate you on the production of what is evidently a good piece of work, and if you got your Ph.D. at Columbia on this work, I congratulate you in addition on this fact.

Yours sincerely,

President.
